- What is the Theology of the Body and Why is it so important?
- The Creation and Redemption of Man and Woman
- The Resurrection of the Body and the Heavenly Marriage
- The Sacrament of Marriage and the Language of Sexual Love

In the words of Pope John Paul II, "if we live according to the true meaning of our sexuality, we fulfill the very meaning of our being and existence." Many think they understand what the church teaches about the body and the relationship between man and woman. However, the deeper reasons—the WHY of these teachings—are NOT well understood.

The human body is meant to be a sign of God's own life and love in the world. Join Christopher West for a thought provoking presentation that will enrich your understanding of human sexuality and the spiritual power it contains.
