### Synopsis:

*RESTLESS HEART* uses a historic backdrop to tell the true story of Augustine of Hippo – one of the Catholic Church's most beloved and well-known saints. Its message is as timely today as it was only a few generations after Jesus walked on Earth. It is the story of one who pursues fame and fortune without a moral compass – and the changes that occur when events lead him to see the light. It also chronicles the collapse of the Roman world and how Augustine laid the intellectual foundations of what became Europe. Filmed in Europe, this new epic film is the first full-length feature movie about St. Augustine.
