BOOT CAMP

How to Rock the Boat Without Sinking the Ship

ARE YOU READY FOR AN ADVENTURE THAT IS BOTH CHALLENGING AND REWARDING?

F E A T U R I N G

Fr. Daniel McCaffrey was ordained in 1958 and spent over eight years as a missionary in Pakistan. He holds a Doctorate in Sacred Theology from the University of St. Thomas Aquinas (Angelicum) in Rome. Father served more than 20 years in active duty with the US Army Chaplain Corps in Vietnam, Korea, Germany, Honduras and throughout the US. He currently works in full-time ministry spreading the Church's Teaching on human sexuality at both the parish and diocesan levels.

Dr. Mary Martin is a board certified obstetrician-gynecologist working in Oklahoma. After a life-changing experience in confession, she stopped prescribing all contraceptives. She now uses the Billings Method daily to diagnosis and treat patients. She is on the Board of Directors for the Billings Ovulation Method for the US and speaks frequently on a national and international level about the effectiveness and benefits of NFP.
