

PETITION TO:

Archbishop Richard G. Henning

cc : Superintendent Eileen McLaughlin, Bishop Mark O'Connell

We, the undersigned, urge you to immediately implement a policy for all Catholic schools in the Archdiocese which clarifies and defends Church teaching on gender and sexuality.

Throughout the US, and especially in Massachusetts, there is an emergency situation brought on by rapidly spreading and aggressive gender ideology and Pride (also known as LGBT...) propaganda. This contagion constitutes a grave threat to children and families and must be prohibited in our Catholic schools.

No school can legitimately call itself Catholic if it affirms or promotes Transgenderism or Pride ideology.
